Dear Ms Trow

**PONTESBURY NEIGHBOURHOOD PLAN REGULATION 16 CONSULTATION.**

Thank you for the above consultation and invitation to comment on the Submission Neighbourhood Plan.

We are pleased to note that our suggestions in respect of archaeology and farm buildings made at Regulation 14 stage have been taken account of. Our other comments on the Regulation 14 Plan remain entirely relevant, that is:

“Historic England is supportive of both the general content of the document and the vision and objectives set out in it.

The emphasis on the conservation of local distinctiveness through good building design and the protection of national and local heritage assets, local green space and important views, along with landscape character and biodiversity is to be applauded”.

Beyond those observations we have no further substantive comments to make.

I hope you find this advice helpful.

Yours sincerely,

P. Boland.
