

Looking for Private Student Accommodation?

Our Student Accommodation Accreditation Scheme has been running since December 2016 and aims to help students find safe rental accommodation in Shrewsbury.

The intention is to give reassurance to students, many of whom who will be living away from home for the first time, in the suitability and safety of their new found accommodation. Whether this be as an alternative, or follow-on from the student halls of residence.

Properties on the scheme are required to be in a good state of repair, free from hazards, and are maintained to a high standard. Plus they are furnished specifically for the student market.

Landlords are also required to provide documentation assuring that each property has:

- **A Valid Gas Safety Certificate. (Every 12 months)**
- **A Current Electrical Certificate. (within last 5 years)**
- **House of Multiple Occupancy Licence (if applicable)**

Inspectors from Shropshire Council visit each individual property within the scheme to assure their suitability and then award the Accreditation.

Deposits are held by a secure non-bias 3rd Party for both student and landlord security.

To view details of properties on the scheme visit :
