Red = earlier collection    Blue = later collection  
 Black = no change to collection

If you are planning a Coronation party, please remember to recycle your tins, cans, glass and plastic in your purple lidded bin or box.

Household Recycling Centres will remain open everyday 9am-5pm

Please present  
your containers  
no later than  
7am on the day  
of collection.

If you're using  
a portable bbq

please ensure that it is  
completely extinguished  
before placing it in your  
residual bin and never  
put hot coals in your bin.

Let's help to keep Shropshire  
fire-free this summer.

During hot weather

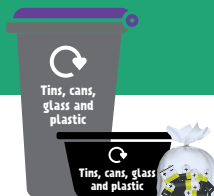

your containers may be collected  
earlier if anticipated temperatures  
are expected to reach an amber or  
red level weather warning from the  
Met Office on your collection day.

Household batteries

Batteries present a fire hazard, please do not place them  
in your waste bin. Please place in a **clear plastic bag** and  
put out on recycling day next to your recycling bin/box.
