Shropshire UKSPF People and Skills Fund

Shropshire Council has been allocated £1,600,000 (including a 4% admin and management) for Supporting People and Skills Priority of Shropshire's UK Shared Prosperity Fund to be delivered by March 2025.

In summer 2022 Shropshire Council submitted an Investment Plan outlining where the local priorities were in relation to the core UKSPF in Business Support, Community and Place and People and Skills and a separate investment plan outlining the Multiply funding.

We are now seeking applications for projects that will deliver from 1st July 2023 until 31st March 2025 under Supporting People and Skills priority. The funding available for each thematic area is shown in the table below. All outcomes and outputs must be achieved by 31st March 2025.

The return of application deadline is 12 noon on 16th June 2023 through the Delta tendering portal. Applications received after the deadline will not be accepted.
