# SEARCHES

# Head to Population Reporting

The image shows a screenshot of the EMS software interface with three numbered blue arrows indicating the navigation path:

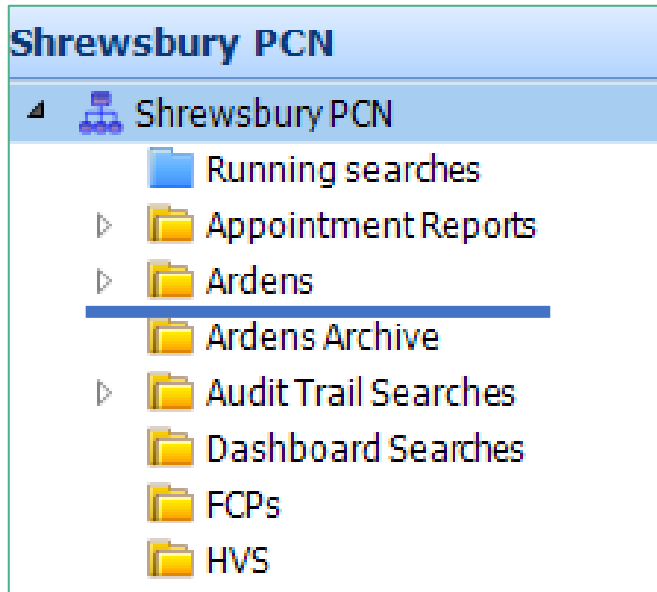

- 1**: Points to the main menu bar.
- 2**: Points to the **Reporting** menu item.
- 3**: Points to the **Population Reporting** sub-menu item.

The interface displays the following menu structure:

- ems** (Application Title)
- Find Patient**
- Session**
- Care Record**
- Workflow**
- Appointments**
- Registration**
- Reporting** (Selected)
  - Reporting Modules**
  - Population Reporting** (Selected)
    - Search and Reports
  - Enquiry Manager**
    - GPES and Local Reports
  - FP34D Reports**
    - FP34D Reports
  - Batch Data Manager**
    - Batch Data Add and History
  - SNOMED CT inactive codes**
    - Find resources with inactive SNOMED CT codes
- System Tools**
- External Links**

At the bottom of the window, there are buttons for **Help** and **Exit**.

# Find the Ardens Searches

The screenshot shows the EMIS Web Health Care System interface for Shrewsbury PCN. The top navigation bar includes "Population Reporting", "Enquiry Manager", "FP34D Reports", "Batch Data Manager", and "SNOMED CT inactive codes". The main area displays a tree view of the "Shrewsbury PCN" folder structure, with the "Ardens" folder expanded. The right-hand pane shows a list of search results with columns for "Name", "Population Count", "%", "Last Run", and "Search Type". The list includes various search categories such as "Running searches", "Appointment Reports", "Ardens", "Ardens Archive", "Audit Trail Searches", "Dashboard Searches", "FCPs", "HVS", "Paramedic audit", "PCN Asthma clinic Mytton Oak and Marysville", "PCN Pharmacy Team", "QOF Coding", "Teen Text", "Training and Practice", "Training Searches", and "Winter Illness Centre". The bottom status bar indicates "No report selected".

# View, Edit, Export your list. . .

Change the details you have pulled

The screenshot shows a software interface for a 'Patient List'. At the top left, there are icons for 'Edit Report', 'Print', and 'Export'. Below these are 'Edit' and 'Actions' buttons. A large blue arrow points from the 'Export' icon to a text box that says 'Export to a Excel if you like – remember to password protect anything leaving Emis'. Another blue arrow points from a text box on the left ('Change the details you have pulled') to the 'Edit Report' icon. The main content area shows a summary table and a 'Patient Details' table. The summary table has columns for 'Population Count', 'Males', and 'Females'. The 'Patient Details' table has columns for 'Full Name', 'Age', 'Gender', and 'Date of Birth'. A large blue rectangle covers the patient list data. At the bottom right, a large blue arrow points down to a text box that says 'Navigate through the pages'. The footer shows 'Page 1 of 17'.
