# Population and Diversity

Chirbury and Worthen Ward is located in the west of the county bordering Wales to the west.

The ward is predominantly rural in nature and contains a mixture of housing in terms of age and type and it sparsely populated. The key settlements is Worthen with 600 residents and provides local facilities. A local school during 2016/17 re-organisation may change the schools shown on this map. The A488 provides access to Shrewsbury in the north and Bishops Castle to the south.

## IMD 2015 Crime Domain

The **Crime Domain measures** the **risk** of personal or material **victimisation** at local level.

The indicators:

- The rate of **violence** per 1,000 at risk population
- The rate of **burglary** per 1,000 at risk properties
- The rate of **theft** per 1,000 at risk population
- The rate of **criminal damage** per 1,000 at risk population

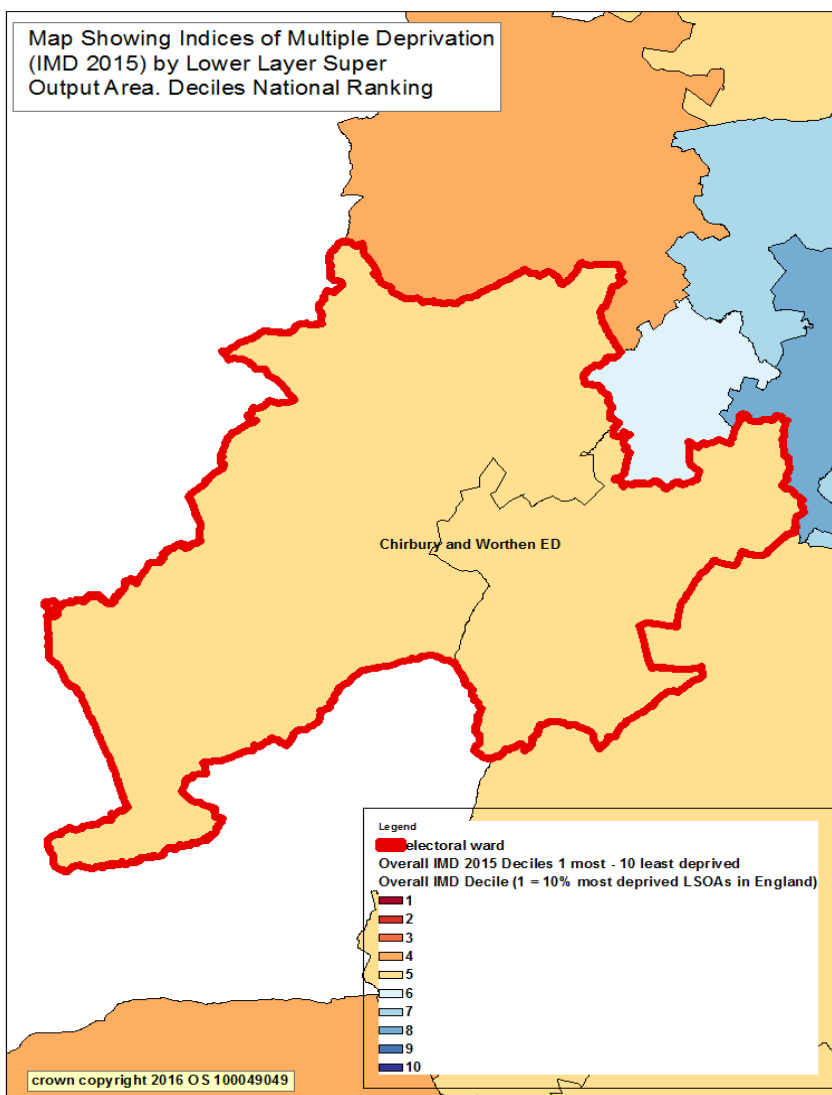

**Chirbury and Worthen Ward** has **low levels** of **crime** compared to national rankings.

When looking at the two lower super output areas (Ilsoa's) which cover the ward. These areas are within **decile 9** and **decile 10**. (decile one being the highest, decile 10 being the lowest) when compared with national levels.

# Index of Multiple Deprivation (IMD 2015)

Index of Multiple Deprivation (IMD 2015) is designed to identify areas where communities lack resources and are in need. To do this, seven factors are considered, which are:

- Income deprivation
- Employment deprivation
- Health deprivation and disability
- Education deprivation
- Barriers to housing and services
- Crime
- Living environment deprivation

There are 2 Lower layer Super Output Areas (LLSOA) which partially cover Chirbury and Worthen Ward.

These areas fall into the 5<sup>th</sup>, least deprived deciles nationally.
