Dear Daphne,

ALLOCATIONS AND MANAGEMENT OF DEVELOPMENT (SAMDEV) PLAN SCHEDULE OF FURTHER MAIN MODIFICATIONS.

Thank you for forwarding me details of the above consultation. The Highways Agency, now Highways England, has previously commented during the initial round of consultation for the preparation of the SAMDev document, as well as the previous schedule of main modifications.

I can confirm that Highway England has reviewed the proposed modifications and we do not wish to make any further comments. This is due to the modifications themselves not having a foreseeable impact on the operation or safety of the strategic road network (including sections of the A5, A49, A483 and A458 roads) within the County. Please accept this letter as our formal response to the consultation.

If you require any clarification then please do not hesitate to contact me.

Yours sincerely

Patrick Thomas
