	Yes	No
Legally compliant	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Positively prepared	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Justified	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Effective	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Consistent with national policy	<input type="checkbox"/>	<input checked="" type="checkbox"/>

3) If you have answered 'no' to any of the above please specify your reason for objecting below. You should make clear why the Main Modification is either not legally compliant and/or unsound having regard to whether the modification is not: positively prepared; justified; effective; or, not consistent with national policy. Please see guidance notes for explanation of these terms:

This suggestion appears at least every 10 years in planning policy either nationally or locally before it is quickly removed.

It leads to a farmer who needs or wishes to expand his business approaching his Bank for funds but at the same time having to explain to his bank that the Council will impose a condition on some of the existing assets that they hold which will lead to the depreciation of the existing security which the bank holds by some 30%. Clearly this is never going to be a tenable proposition.

Careful siting of proposed dwellings is the effective means to prevent abuse of such permissions so as to ensure no sell off.

Continue on a separate sheet if necessary

- 4) Please set out what change(s) you consider necessary to make the SAMDev Main Modification legally compliant and/or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

Delete reference to imposing occupancy conditions on existing rural business dwellings.

Continue on a separate sheet if necessary.

Please note you should cover all the information, evidence and supporting information necessary to justify the representation and the suggested change. After this stage, further submissions will only be accepted at the request of the Inspector.

You must return this form by 5pm on Monday 13 July 2015.
