Dear Ms Woof

**SITE ALLOCATIONS AND MANAGEMENT OF DEVELOPMENT (SAMDEV) PLAN
SCHEDULE OF MAIN MODIFICATIONS**

At a Full Council meeting on the 22nd June 2015, Members discussed the Site Allocations and Management of Development (SAMDev) Plan Schedule of Main Modifications.

Members resolved that the modifications to MM14 and MM18 created a substantially weaker document that diluted the restrictions on the number of houses that could be constructed under National Rules because allocated sites could be granted planning permission whether they are sustainable or not and the rule providing evidence of community support had been removed. These modifications would open up possibilities for dwellings to be built beyond the bypass and across the bridge to Ludford.

Please submit the comments to be considered within the consultation.

Kind regards.

Yours sincerely
