Although all developments will still need to be sustainable Ludford Parish Council are concerned by the deletion of Paragraph 4.22 stating that **the term 'sustainable development' will be interpreted to include whether the development is within the settlement guideline** as this would seem to relieve the planning authority of the obligation to consider the settlement guidelines when considering whether a development is sustainable or not.

Parish and Town Councils throughout Shropshire have worked hard over the past few years to produce a community driven Local Plan to which all can subscribe. Ludford Parish Council are concerned that these modifications will considerably weaken and put at risk the localist approach to planned housing development contrary to the Localist Agenda and the NPPF and will introduce an unacceptable degree of uncertainty as to how windfall housing applications will be appraised in the future

- 4) Please set out what change(s) you consider necessary to make the SAMDev Main Modification legally compliant and/or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**
