To Shropshire Council Planning Policy Team

MONTFORD PARISH COUNCIL'S LATEST REPRESENTATION ON THE SAMDev

At the last MPC Meeting I was instructed to email you as follows >>

143-9.1a. *SC SAMDev Pre-submission Consultation* Clerk to email that MPC has NO OBJECTIONS but asks SC

to now complete the SAMDev URGENTLY in order to reinstate the normal democratic planning process.

Several experts including the Barrister Hugh Richards of No 5 Chambers have strongly advised that Shropshire now needs to get its SAMDev in place QUIICKLY even if there are a few minor discrepancies left in it - and MPC fully supports that view.
