WEST FELTON PARISH COUNCIL'S LATEST REPRESENTATION ON THE SAMDev

At the last WFPC Meeting I was instructed to email you as follows >>

8.1 **SC SAMDev Pre-submission Draft Final Plan** Consultation up to 28 Apr'14: *Any WFPC comments:*
The Clerk advised sending SC a WFPC comment of **NO OBJECTIONS** to the plan but urging SC to now *complete the SAMDev urgently* in order to reinstate the normal democratic planning process. **AGREED**

Several experts, including the Barrister Hugh Richards of No 5 Chambers, have strongly advised that Shropshire now needs to get its SAMDev in place QUICKLY even if there may be a few minor discrepancies left in it - and WFPC fully supports that view.
