I support Land at Tilstock Road for the development proposed.

It is a well thought out scheme and a good location accessible to schools, employment, the town centre and the railway station.

It will also provide genuine benefits to the town in the form of additional sports facilities. I understand a planning application has been submitted and the site needs to come forward as soon as possible so those benefits can be realised for local people.

Please use the box below to explain the changes you think should be made to the SAMDev Plan in order to make it legally compliant or sound? You should explain your suggested revisions to the policy, paragraph or section of the Policies Map, and why this change would make the plan legally compliant or sound. Please be as precise as possible (Continue on a separate sheet if necessary)

Please be sure that you have provided all the information necessary to support your representations and any changes you are proposing. After this stage you will not be able to make any further representations about the SAMDev Plan to Shropshire Council. Any further submissions will only be possible at the invitation of the Inspector conducting the examination, who may seek additional information about the issues he/she has identified.
