4 April 2014

Dear Mr Mortimer

*Re Shropshire Council Site Allocations and Management of Development Plan: Pre-Submission Draft (Final Plan) consultation – Exclusion of land off Mill Street from within the development boundary*

I refer to my email dated 25 May 2014 addressed to Adrian Cooper.

The Town Council was very pleased that the Planning Appeal APP/L3245/A/13/2204719 Land off Mill Street, Wem was dismissed by the Inspector and this decision has been welcomed by the whole community of Wem.

As the Inspector clearly decided it would not be appropriate for development to take place on this land it would be appreciated if this site could be excluded from within the development boundary for Wem Urban during the current SAMDev consultations. This action would also avoid the submission of any further planning applications for the land in question.

Enclosed are two plans showing the suggested amended boundary.

With many thanks for your consideration of this matter,

Yours sincerely

Town Clerk
