Dear sirs,

Shropshire Site Allocations and Management of Development Plan

In regard to the accommodation needs for gypsies and travellers, paragraph 5.26 of the Core Strategy says in that "provision of new sites will be largely made in the Site Allocation Management of Development DPD." However, this document does not contain any mechanism for making such provision. The complete absence of any reference to the provision of sites to meet the needs of Gypsies and Travellers renders the Plan unsound.

We would wish to be notified of all future stages of Plan preparation and will wish to attend any hearing into the adoption of the Plan.

Yours faithfully

A. R. Yarwood
