Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>

Positively prepared	YES
Justified	YES
Effective	YES
Consistent with National Policy	YES

In the box below please specify your reason for supporting or objecting.

If you are objecting, you should make clear why the document is unsound having regard to the issues of 'legal compliance' or whether the document is not positively prepared, justified, effective or not consistent with national policy (Continue on a separate sheet if necessary).

The principle of guiding development to named sustainable settlements is supported

However, a number of settlements that are indicated in the SAMDev DPD as being appropriate to accept further development are left without development boundaries. It is assumed that land outside development boundaries is to be regarded as open countryside, within which development will be restricted.

The lack of development boundaries gives rise to confusion, and there can be no certainty for developers, landowners or investors

Please use the box below to explain the changes you think should be made to the SAMDev Plan in order to make it legally compliant or sound? You should explain your suggested revisions to the policy, paragraph or section of the Policies Map, and why this change would make

the plan legally compliant or sound. Please be as precise as possible
(Continue on a separate sheet if necessary)

The plan should be revised either by the provision of development boundaries for all settlements where development is to be permitted, or criteria devised that can be used by developers, landowners and investors to assess whether a particular site is likely to be regarded as being within a settlement where development will be allowed or in open countryside.

Please be sure that you have provided all the information necessary to support your representations and any changes you are proposing. After this stage you will not be able to make any further representations about the SAMDev Plan to Shropshire Council. Any further submissions will only be possible at the invitation of the Inspector conducting the examination, who may seek additional information about the issues he/she has identified.

Do you consider it necessary to attend and give evidence at the examination?

No, I wish to pursue my representations through this written representation.
