Legally compliant	Yes <input type="checkbox"/>	No <input type="checkbox"/>	N/A ✓
Sound	Yes <input type="checkbox"/>	No <input type="checkbox"/>	N/A ✓

If your representation considers the SAMDev Plan is not sound, please say whether this is because it is not (*Please tick all that apply*):

Positively prepared	N/A
Justified	N/A
Effective	N/A
Consistent with National Policy	N/A

In the box below please specify your reason for supporting or objecting.

If you are objecting, you should make clear why the document is unsound having regard to the issues of 'legal compliance' or whether the document is not positively prepared, justified, effective or not consistent with national policy (Continue on a separate sheet if necessary).

I am objecting to the change of use of WHIT051 as the change of use would impact on our quality of life dramatically. We feel it would invade our privacy as our property is next to the land we are concerned with the elevations of properties that may be built and the close proximity to our property. Also the noise and dust and dirt that we may have to endure with any development. I AM CONCERNED THAT IF THE LAND HAS A CHANGE OF USE THAT THIS CHANGE OF USE COULD ALSO CHANGE FROM HOUSING TO INDUSTRIAL OF BUSINESS USE WHICH WOULD BE UNACCEPTABLE TO US

Please use the box below to explain the changes you think should be made to the SAMDev Plan in order to make it legally compliant or sound? You should explain your suggested revisions to the policy, paragraph or section of the Policies Map, and why this change would make the plan legally compliant or sound. Please be as precise as possible (Continue on a separate sheet if necessary)

We would want to be involved in the planning process at every stage and kept informed. It would be essential for us that there would be a buffer zone, strategic planting of trees, shrubs and landscaping. The positioning type of proposed housing and direction of windows would be of concern to us. Positioning of pathways and roads to prevent excess noise and prevent a compromise in our security.

Please be sure that you have provided all the information necessary to support your representations and any changes you are proposing. After this stage you will not be able to make any further representations about the SAMDev Plan to Shropshire Council. Any further submissions will only be possible at the invitation of the Inspector conducting the examination, who may seek additional information about the issues he/she has identified.

Do you consider it necessary to attend and give evidence at the examination?

Yes, I wish to give evidence about my representation at the examination.

No, I wish to pursue my representations through this written representation.

√

If you wish to attend the examination, please explain why you think this is necessary in the box below:
