Your Representations

Please note, you must use a separate form for each representation you wish to make.

(Please refer to the accompanying Guidance Notes on Making Representations when completing this section)

In the box below please give the policy, paragraph or section of the Policies Map your representation relates to:

Paragraph 2.4

Is your representation in support or objection? (please tick as appropriate)

Support	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Object	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>

In respect of your representation on the policy, paragraph or section of the Policies Map, do you consider the SAMDev Plan is:

Legally compliant	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
Sound	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

If your representation considers the SAMDev Plan is not sound, please say whether this is because it is not (*Please tick all that apply*):

Positively prepared	
Justified	
Effective	
Consistent with National Policy	

In the box below please specify your reason for supporting or objecting.

If you are objecting, you should make clear why the document is unsound having regard to the issues of 'legal compliance' or whether the document is not positively prepared, justified, effective or not consistent with national policy (Continue on a separate sheet if necessary).

Paragraph 2.4 states that the Duty to Cooperate Statement will be published when the Plan is submitted.

In our view, it is important to demonstrate prior to submission, whilst people still have the opportunity to make representations, that the Duty to Cooperate has been adhered to.

Please use the box below to explain the changes you think should be made to the SAMDev Plan in order to make it legally compliant or sound? You should explain your suggested revisions to the policy, paragraph or section of the Policies Map, and why this change would make the plan legally compliant or sound. Please be as precise as possible (Continue on a separate sheet if necessary)

There are no changes that can be made at this stage, other than producing a new report demonstrating how the Duty to Cooperate has been satisfied.

Please be sure that you have provided all the information necessary to support your representations and any changes you are proposing. After this stage you will not be able to make any further representations about the SAMDev Plan to Shropshire Council. Any further submissions will only be possible at the invitation of the Inspector conducting the examination, who may seek additional information about the issues he/she has identified.

Do you consider it necessary to attend and give evidence at the examination?

Yes, I wish to give evidence about my representation at the examination.

No, I wish to pursue my representations through this written representation.

If you wish to attend the examination, please explain why you think this is necessary in the box below:
