| Support | Yes | <input type="checkbox"/> | No | <input type="checkbox"/> |
| Object | Yes | <input checked="" type="checkbox"/> | No | <input type="checkbox"/> |

In respect of your representation on the policy, paragraph or section of the Policies Map, do you consider the SAMDev Plan is:

| | | | | |
|--------------------------|------------|-------------------------------------|-----------|-------------------------------------|
| Legally compliant | Yes | <input checked="" type="checkbox"/> | No | <input type="checkbox"/> |
| Sound | Yes | <input type="checkbox"/> | No | <input checked="" type="checkbox"/> |

If your representation considers the SAMDev Plan is not sound, please say whether this is because it is not (*Please tick all that apply*):

| | |
|--|-------------------------------------|
| Positively prepared | <input checked="" type="checkbox"/> |
| Justified | <input checked="" type="checkbox"/> |
| Effective | <input checked="" type="checkbox"/> |
| Consistent with National Policy | <input checked="" type="checkbox"/> |

In the box below please specify your reason for supporting or objecting.

If you are objecting, you should make clear why the document is unsound having regard to the issues of 'legal compliance' or whether the document is not positively prepared, justified, effective or not consistent with national policy (Continue on a separate sheet if necessary).

Paragraph 157 of the National Planning Policy Framework states that Local Plans should "be drawn up over an appropriate time scale, preferably a 15-year time horizon, take account of longer term requirements". The SAMDev document covers the period from 2006 – 2026, which is three years short of the target 15-year plan period. The SAMDev document is therefore unsound.

The Plan is based on an outdated information which needs to be addressed in the review of the SAMDev to ensure that objectively assessed housing requirements are met.

Please use the box below to explain the changes you think should be made to the SAMDev Plan in order to make it legally compliant or sound? You should explain your suggested revisions to the policy, paragraph or section of the Policies Map, and why this change would make the plan legally compliant or sound. Please be as precise as possible (Continue on a separate sheet if necessary)

Paragraph 1 should be amended to read "Overall, sufficient land will be made available during the remainder of the plan period up to 2029..." to make Policy MD1 sound.

The technical evidence base that has been assembled only covers the period to 2026 and therefore if the plan period is extended to 2029 the evidence base would need to be updated to ensure it covers the full period which is being planned for. Once the evidence base has been updated it will be necessary to amend Table MD1.1 to reflect the updated housing / employment land requirements to 2029.

Whilst undertaking this update, it would be important to review the objectively assessed housing needs to ensure that they reflect the latest position in Shropshire.

Please be sure that you have provided all the information necessary to support your representations and any changes you are proposing. After this stage you will not be able to make any further representations about the SAMDev Plan to Shropshire Council. Any further submissions will only be possible at the invitation of the Inspector conducting the examination, who may seek additional information about the issues he/she has identified.
