The Samdev planning process was carried out during a changing planning environment. Policies have been put into place regarding development while the Samdev which should be what the public have chosen to put forward is being developed. This of course means that the policy e.g. converting farm buildings into residential dwellings is going on in parallel with this process, without any consultation from the general public.

**Q9: Explain the changes you think should be made to the SAMdev Plan in order to make it legally compliant or sound. You should explain your suggested revisions to the policy, paragraph or section of the policies map and why this change would make the plan legally compliant or sound. Please be as precise as possible.**

The plan should take into account the economic situation that exists in the country that exists in the country at this moment in time. It seems to many people that the Samdev has been created to accommodate the kick starting of a grossly over subscribed industry. Old county plans should be carried on until such time the economy levels out and the immigrant situation has settled.

**Q10: Do you wish to make another representation?** No
